

Stockton Airport VOR Shelter Design and Fabricate Services Market Survey:

The Federal Aviation Administration, Northwest Mountain Region, Western Service Area Acquisition Group, is conducting a Market Survey to improve the Government's understanding of the current marketplace and to identify capable sources. Interested sources must respond with information to confirm evidence of their qualifications and capabilities. Responses to this market survey will be used to determine if there is adequate competition to set the requirement aside for Socially and Economically Disadvantaged Businesses (SEDB/8(a)), Small Businesses, or full and open competition. This survey is being conducted in accordance with FAA Acquisition Management System (AMS) Section 3.2.1.2.1. This survey will support market research obtained from multiple sources and will be utilized for planning purposes only.

All interested vendors are advised that the FAA will not pay for any information or any administrative costs incurred that are associated with any response received from industry in response to this Market Survey/Request for Information. Therefore, any costs associated with vendor's Market Survey/Request for Information submissions will be solely at the interested vendor's expense.
